Application Record: THWS Wuerzburg-Schweinfurt

M.Sc. Artificial Intelligence, summer semester 2027 (starts March 2027) | Applicant: Rodayna Emad Mohamed Abdelkader Abdelmawla | Application form PDF (version 08.10.2026) + THWS Campus Portal | Status on 1 Nov 2026: form filled in, NOT submitted

Still missing before submitting

- High school leaving certificate and a transcript of the high school grades are missing. THWS does not consider applications without them. Upload them in the same section as the degree certificate and transcript.
- VPD from uni-assist is required. Request it now (EUR 75 for the first application, takes 4 to 6 weeks). Rodayna creates the uni-assist account herself.
- Email mai.fiw@thws.de to confirm that the Graduation Statement (all subjects taught and assessed in English) is accepted as B2 English proof.
- Bachelor's project: add the number of group members after "no, team project", and a URL to the full BloomTech report (or write "uploaded").
- Grading scale: A, A- (85 to 89), B+ (80 to 84) and B- (70 to 74) are confirmed by her transcript; the other bands (B, C+, C, D) are my best estimate. Check against the official Pharos scale.
- English skill boxes (listening, reading, writing, speaking) are empty, because the Graduation Statement gives no per skill level.
- Date and signature at the end: Rodayna adds them herself (for example with Adobe Fill and Sign). Do not change the form layout.
- Campus Portal: Rodayna registers with her own password, pays the EUR 50 fee and uploads the files below. Submit by 15 Nov 2026 (recommended for non-EU), final deadline 15 Dec 2026.
- German A2 is needed within the first two semesters (not at application).

Personal details

First name	Rodayna
Last name	Emad Mohamed Abdelkader Abdelmawla
Gender	Female
Date of birth	04/12/2002
Nationality	Egyptian
Country of residence	Egypt
Email	rodynaemad@gmail.com

Academic experience

University	Pharos University in Alexandria
Country	Egypt
College / School	Faculty of Computer Science and AI
Bachelor programme	B.Sc. Computer Science
Master programme	(empty)
Will upload high school certificate	yes

English language skills

Type of English certificate	English-taught B.Sc. (Graduation Statement)
Confirmed level	B2 (English-taught degree)
Listening / Reading / Writing / Speaking	(empty)

Overview of Bachelor's studies

Degree completed	yes
Graduation date	28/07/2025
Total CPs	140 credit hours (= 240 ECTS)
Overall grade	CGPA 3.8836 / 4.00 (92.13%)
Semesters studied	8
Failed course grade	F (below 50%)

Grading scheme

90 to 100	A
85 to 89	A-
80 to 84	B+
75 to 79	B (estimate)
70 to 74	B-
65 to 69	C+ (estimate)
60 to 64	C (estimate)
50 to 59	D (estimate)
below 50	F

Math courses (ECTS, grade)

CS 101 Discrete Structures	5.1, A- (87)
MATH 201 Probability and Statistics	3.4, A (97)
MATH 202 Linear Algebra	3.4, A (95)
MATH 101 Calculus I	3.4, B- (70)
MATH 102 Calculus II	3.4, A (93)
MATH 301 Numerical Computations	3.4, A- (88)
Total	22.1 ECTS (1 credit hour = 1.71 ECTS). Minimum is 20.

Computer science courses (ECTS, grade)

CS 201 Data Structures and Algorithms	5.1, A (92)
CS 205 Algorithms Design	5.1, A (97)
CS 307 Theory of Computation	5.1, A (91)
CS 404 Compiler and Language Theory	5.1, A (94)
CS 206 Operating System	5.1, A- (88)
CS 202 Database Systems	5.1, A (93)
AI 301 Machine Learning	5.1, A (93)
Total	35.7 ECTS. Minimum is 15.

Bachelor's thesis / project

Title	BloomTech: Smart Agriculture System
URL	(empty, see above)
Authored alone	no, team project (number of members still to add)

Work samples	https://github.com/itsRou
Date and signature	(Rodayna)

Project abstract (as entered, in full)

BloomTech is a smart agriculture system for smart pots and large farm land. It detects common plant diseases from photos with an image processing algorithm and recommends a cure (over 90% accuracy on more than 1,000 test images). Solar powered IoT sensors monitor the plants in real time without batteries and drive smart irrigation. A Flutter app with Firebase shows live sensor data, sends notifications, gives plant care tips and offers services such as renting tools and ordering seeds. Grade: A.

Files to upload on the Campus Portal

Application form	THWS form version 08.10.2026, filled in, then dated and signed by Rodayna	ready, needs signature
VPD	From uni-assist	missing
English proof	Rodayna_Emad_Graduation_Statement_English.pdf	ready
Degree	Rodayna_Emad_Degree_Certificate_and_Transcript.pdf	ready
High school	High school leaving certificate and grade transcript, same section as the degree	missing
ID	Passport copy	missing

Deadlines and fees

Recommended for non-EU	Submit everything by 15 Nov 2026
Final deadline	15 Dec 2026
Start	Summer semester only, March 2027
Fee	EUR 50 THWS + about EUR 75 uni-assist VPD
